There are 2 main ways to easily purchase from the LODC.

Purchase Orders: Contact the LODC (info@lodcusa.org) with items you wish to purchase. We will send an estimate to help your purchasing point create the school's PO. To expedite shipping, after your school places the PO, please send the LODC the PO number or a screenshot/pdf of the official purchase order. (NYCPS purchase orders usually start with WI, WV, WO, VP and show the DOE seal.) After delivery, an invoice will be sent to the school's corresponding borough unit for payment.

SIPP (Small Item Payment Process): Contact the LODC (info@lodcusa.org) with the items you wish to purchase. We will send an estimate with an invoice number and the final order total including shipping. Once the SIPP is created and payment is complete, please notify the LODC. We will confirm receipt of payment and ship your order.

Please note: the purchasing limit is NOT \$250.00 for the LODC as we qualify as a Sole Source Vendor.

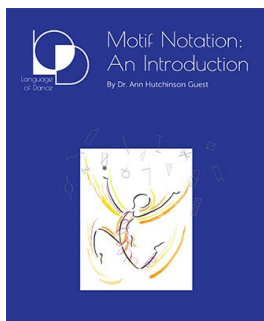

Shipping rates for NYC DOE orders are 20% of the order subtotal (Curriculum Units are delivered electronically so please subtract the cost of the units before computing shipping). Shipping rates must be added to the purchase order.
